GERMAINE DE CAPUCCINI

ADVANCED PROFESSIONAL COSMETICS

TIMEXPERT RIDES

At last in your Beauty Centre. **Germaine de Capuccini** has created its first elixir of youthfulness with oily texture and a **powerful regenerating force**. A dry oil that provides all the anti-ageing nutrition demanded by dry, fine skin that is lacking in comfort.

ABSOLUTE NUTRITION

Formulated with **7 exceptionally regenerating plant oils**:

Winter Rose
Amber
Sesame
Hazelnut
Apricot
Almond
Corn

They provide Omega 6 and 9 fatty acids, vitamins, anti oxidants and all the essential anti-ageing elements especially needed by dry skin. Its soothing and anti-inflammatory properties make it a powerful repairing product, effective even on the most delicate skin.

REDENSIFIES FROM INSIDE

Pro-Collagestine-Fill Technology: reactivates the skin's natural filling in power and improves the "skin's architecture".

Lupeol: stimulates high-purity collagen synthesis, creating a solid and homogeneous network to achieve firmer, denser skin.

Alaria Esculenta Extract: works like a cellular rejuvenator with detoxifying and firming properties.

A TRUE DISCOVERY FOR THE SKIN

Its texture is refined, magnified thanks to the **Jasmine Essential Wax**. The skin instantly feels the nutrition.

Your skin with the most radiant appearance it has ever had.
