

GERMAINE DE CAPUCCINI
TIMEXPERT HYDRALURONIC

HYDRATE AND
PLUMP WITH
TIMEXPERT
HYDRALURONIC

Discover a revolutionary hydration concept with TIMEXPERT HYDRALURONIC

Our exclusive formulation combines the power of HYALURONIC ACID with our patented HLG nanopolymer, creating an innovative treatment for dewy and hydrated skin.

In just 10 days*

Up to

+ **72%** HYDRATION

+ **45%** PLUMPNESS

Dermatologically tested on sensitive skin.

* Clinical test with HYALURONIC 3D FORCE + PLUMPING MOISTURISING CREAM + PROFESSIONAL TREATMENT.

EXCLUSIVE FORMULA

A carefully selected combination of ingredients that hydrate, plump, redensify and protect the skin's hyaluronic acid.

The protagonists

HYALURONIC ACID in 3 molecular weights

+

Patented HLG Nanopolymer

The perfect duo for deep and long-lasting hydration.

With a "filler" action, the combination of these active ingredients results in smoother, suppler and plumper skin with an anti-aging effect.

PLUMPING MOISTURISING CREAM

Two daily treatments with a watery texture and anti-aging action that quickly melt into the skin without leaving a greasy sensation. Help to restore skin volume and hydration while providing a cosmetic plumping effect.

Lasting results.

RICH SORBET

Comfort and suppleness
for normal to dry skin.

SOFT SORBET

Freshness and dewiness
for combination to oily skin.
